

59 YEARS OF SMG SISTERS' MINISTRY IN CASTLEDERMOT

9th June, a day special to all of us as the Anniversary of Mother Magdalen's death and also Pentecost Sunday, was the day when the parish of Castledermot said farewell and thanks to Sisters Pauline, Catriona and all our Sisters for their generous service in the parish during the past 59 years.

Bunting and flowers decorated the church. Bishop Eamonn Walshe was the main concelebrant of the Mass where the choir were in top form, and the congregation included parishioners, friends, past pupils and teachers as well as fifteen SMGs.

Sisters express their gratitude

Presentations of gifts were made to Sisters Pauline and Catriona and Sr. Rosarii thanked the people for their support and encouragement through the years.

All were invited to enjoy some excellent refreshments in the local hall where there were many expressions of **Sadness and Gratitude.....**

We miss you very much!

We can only say 'Thank you'.

So many in our parish have been touched by the work and the witness of the Sisters since they came to Castledermot

Words cannot do justice to the contribution the Sisters have made to the life of the parish and the parishioners

We Sisters will cherish our memories and continue to pray for all.
